## Thought for the Day.

"I did not have 10,000 failures in the experiments to invent the light bulb; I had succeeded 10,000 times in learning what did not work." -- [Thomas Alva Edison](#)

## Tax Filing Deadline Dates

Because of our growth we expect a real busy tax season. If you want your work to be filed timely, you need to get your materials out to us as soon as possible. Remember, if you are a corporation or business you may need to **issue 1099s or W2s by January 31** as well as **file any quarterly payroll work**. You also need to get your **partnership/corporate returns completed by March 15**. Personal returns are due April 15. Have mercy on us and get your materials in to us early. If we receive these items late, we may need to put you on extension.

## Seasons Greetings and Happy Holidays

wish you and your family the  
best of Holidays and the  
warmest wishes for the New  
Year.
